Boston, Mass.

Dear Sir:-

I write you for a two-fold purpose; first, to get acquainted with you; second, to compliment you and tell you how much I enjoy your contribution to the A.M.E. Review.

Do you get the Journal of the National Medical Association?

I enclose you herewith a reprint from a recent number of that Journal and a small brochure upon which I would appreciate your opinion.

With best wishes, I am,

Very respectfully,

C.V. Roman.
